Volume 10 Edition 2

Art Glass

This beautiful Art Glass is individually hand-crafted by artists with many years of experience and each piece takes many careful hours to complete. The unique Eternal Flame is a stunning piece that can be up to 22 inches tall and will be an exquisite way to memorialize your loved one in the home. The Forever Heart is designed to keep those memories 'forever in your heart.' The breathtaking Sphere offers a special remembrance of a cherished life, reflected through form, color, and light. Many families also choose Pendants for each member to have as personal keepsakes. Each piece can come in one of four color selections and has room for an engraving.

ETERNAL FLAME

Keep the torch of their memory lit forever with the Eternal Flame. Three heights and four colors to choose from.

The process combines cremains with the art of glass making to create a piece that is as unique as the loved one it memorializes.

FOREVER HEART

*A million times we needed you,
A million times we cried,
If love alone would have saved you,
You would have never died.*

*In life we loved you dearly,
In death we love you still,
In our hearts you hold a place,
No one can ever fill.*

*Some may think you are forgotten,
Though on earth you are no more,
But in our memory you are with us,
As you always were before.*

*It broke our hearts to lose you,
But you did not go alone,
A part of us went with you, The day God
called you home.*

*Your precious memories are for keepsakes,
with which we never part,
God has you safely in His keeping,
We have you Forever in Our Hearts.*

RANDY KOUFALIS

Master sculptor and mold maker Randy Koufalis, has over 25 years experience in sculpting and design. He was born in Vancouver, British Columbia where he continues to reside. Randy blends old motifs and traditions with his own unique style to create both functional and decorative works of art and inspiration. He laboriously builds every mold that is used to reproduce all of our original pieces. These urns are a stunning celebration of artistry and imagination, captured in stone, timeless for all to enjoy. The concept and design process of each piece begins long before any actual sculpting takes place. Most of our designs come from our interpretation of architectural elements found in our environment. Hours of research, both technical and historical, go into every piece we design. Initial concept sketches are compiled and modified and prototypes are completed. Using these rough 3-D models as references, we begin the creative process of turning our models into finished sculptures. Our products are completely hand made and hand painted by a very talented team of artisans. Each piece is made of actual re-constituted stone, taking great pride in making sure the quality of our products is unsurpassed.

WHAT IS RHODIUM?

Rhodium is a hard silvery white and durable metal that has a high reflectance and does not normally form an oxide. Rhodium finds use in jewelry and for decorations. It is electroplated on white gold, platinum, sterling silver and brass to give it a reflective white surface and in order to strengthen the metal from tarnish.

Lifetime Guaranteed. If the image on your porcelain Life Portrait ever fades, just return the portrait for a free replacement.

Additional fees apply for artwork cleanup, repair, combining of multiple subjects and removal of backgrounds.
